"The program teaches you individuality. It prepares you for the future. Hands-on experience is better than any classroom setting. Also, it gives future employers insight to a possible qualified employee."

Paul Zaharia

North Star Culinary Intern (Trinidad, Romania)
Miami Beach Senior High School, ACCT

"This program has helped me get a feel for the business world. Thanks to this program, I have worked with both my strengths and weaknesses and I now know what I want to pursue in the future."

Karina Redondo

Career Heights Inspirational Living Intern, Cong Reef Senior High, ACCT

"It's a great opportunity for those who are interested in engineering. It helps fine tune them to really decide whether this career path is right for them because you get to have a taste of "real" world experience."

Moises Castellon

MWH Americas, Inc. Intern, North Miami Senior High, ACCT

"The strength of the program is that it allows students to get the opportunity to work and gain experience in a financial institution. You also get to meet people who can help benefit and expand your knowledge."

Giselle Schmidt

Jabilvision FCU, Barbara Colman Senior High, ACCT

"One primary strength of this program is that it gives students a taste of the real world. Students are made aware of expectations in business environments. This may especially help students who realize they need to break bad habits before it can negatively affect their career too much."

Nicholas Barnes

Assistant Intern, Coral Reef Senior High, AOF

Hialeah Gardens SHS AOE

HSI Autopass Interns

"GetMyInterns.org is a quick, smooth, and efficient process that helps interns so they can get spotted by friendly and experienced companies. My personal experience with GetMyInterns.org allowed me to contact SherlockTech and ultimately land an internship for the summer. This has allowed me to experience the workplace environment."

Jason Becerra

SherlockTech Intern, Miami Beach Senior High, AOF

SCHOOL CHOICE & PARENTAL OPTIONS

"The NAF Summer Internship program is a great opportunity to explore potential careers and gain valuable job experience in a real corporate environment prior to starting college. These bright young ladies have a promising future ahead of them."

Mio Serrano

Vice-President of Human Resources, Jetstream Federal Credit Union

"It gives students a chance to have real life work experience and gain knowledge and skills to help them in the future. It prepares students to enter the working world after school. The program can be improved by having more international internships."

Alicia Chu

Prometric Intern (Tokyo, Japan), Miami Beach Senior High, AOF

Prometric Intern (Japan)
