

Universal Access Awards Nomination Form

The Board Members of the South Florida Digital Alliance / Miami Dade Broadband Coalition are holding our third annual Universal Access Digital Advancement & Excellence Awards event on November 6, 2013. The Awards Event is designed to bring recognition to innovators who support enhanced connectivity and increased access to information for the South Florida community through the creative application of communications or computing technologies. The Universal Access Digital Advancement & Excellence Awards recognize the innovative use of broadband and computing technologies to increase the community's access to computing, the Internet, as well as the online tools and resources of the digital economy.
