

## Awards 2015

PRESENTED BY

STEVEN  
DOUGLAS  
ASSOCIATES

The CIO Awards  
honors chief information  
officers who lead their organizations in  
delivering business value and innovative use of  
IT in the private and public company sector.

The awards will recognize South Florida-based CIOs  
who have demonstrated these key characteristics:

- Ability to work productively with business partners •
- Alignment of technology direction with the company's strategy •
- Innovation either internally or in the form of new products or services •
- Growth in their information technology team •
- Demonstration of strong leadership •
- Involvement in their community •

Applicants will be able to apply under three different categories:

- Private Company • Public Company • CIO Lifetime Achievement Award •
