EQUIPMENT DONATIONS

The South Florida Digital Alliance has placed over **2000+ Computers** out in the Greater South Florida Community through our **ReBoot, Power-Up, and TLC Initiatives**; going to help students at local schools & public parks, foster families, federal tax programs, adult literacy centers – just to name a few. The success of such programs would not be possible without generous donations from individuals, organizations, and corporations.

What is needed:

- Desktop Computers
- Laptop Computers
- LCDs (17" or larger)
- Keyboards & Mice
- Networking Equipment

*The SFDA **cannot accept used printers** due to recycling cost and environment regulations.*

How to donate:

Donations can be delivered to our offices in downtown Miami; please call or send email to reboot@sfdigitalalliance.org to schedule a drop-off day & time. For a small fee, ***free for sponsoring member/partners***, the SFDA can schedule larger on-site pickups.

What about my Data Security & Privacy?

The SFDA provides D.O.D (Department of Defense standard) data wiping services on all hard drives. Certificate of completion can be provided on request. Admin Fees may apply.

The South Florida Digital Alliance is a 501c.3 nonprofit; donations may be tax deductible – receipt of contribution will be provided.

Any questions, or for more specific inquiries, please contact us directly. We are happy to help and thankful for your consideration.
